### ONE PLANET FACILITY SERVICES WIN AUSTRALIAN ACHIEVER CUSTOMER SERVICE AWARD

**One Planet Facility Services**, Ringwood - VIC, has won the 2017 Australian Achiever Award for Australia's Cleaning & Maintenance Services & Supplies category.

Now in their 20th year, the Australian Achiever Awards are an independent, unbiased award system based on assessment ratings from companies' clients – and are therefore an indication of a well-run, healthy business, worthy of patronage. The award focuses on seven criteria, namely: Time Related Service, Addressing Client Needs, Care and Attention, Value, Attitude, Communication and Overall Perception.

The criteria are rated individually in percentage terms, and the final score is an amalgam of these. Anything above 80% overall is regarded as exceptional and reflects outstanding customer service.

One Planet Facility Services achieved a **98.52%** overall score for Customer Service and Relations, topping all other Australia Cleaning & Maintenance Services & Supplies businesses. The 2017 Australian Achiever Award proves One Planet Facility Services delivers on the promise of customer satisfaction.
